EXPLANATORY NOTE: This Index covers the second year of the publication of **AMERICAN HERITAGE** as a "magazine in book form" —i.e. with hard covers and without advertising.

All places, names, subjects, authors, and illustrations in the six issues from December 1955 through October 1956 are included. Because of the emphasis **AMERICAN HERITAGE** places upon pictures, all illustrative material is also cross-indexed under the heading *Illustrations*.

Additional copies of this second annual Index as well as the Index for the first year of the hardcover publication of **AMERICAN HERITAGE** are available at \$1.00 each from the magazine's offices at 551 Fifth Avenue, New York 17, N. Y.

★ ★ ★

Prior to December 1954, **AMERICAN HERITAGE** was published for five years as a soft-covered quarterly. A subject and author index for the first four of those years (**VOLUMES I-IV**) was compiled by its editors and is also available at the magazine's offices for 25 cents.

Beginning with **VOLUME V**, **AMERICAN HERITAGE** has been indexed in the *Reader's Guide to Periodical Literature*, available in most libraries.
